City Holds Taxes At $1.48, Grants Employees 5%

City employees will get their five per cent pay increase and the tax rate will remain at $1.48 per $100, the council decided in a laborious study session Wednesday.

Maintaining the tax rate will only be made possible, however, by instituting several new fund-raising methods, which were presented in ordinance form last week. These measures are expected to bring an additional $46,162 into city coffers.

The council also decided to go on record in favor of the blanket five per cent pay hike for all classified city employees.

This will exclude department heads and administrators.

Tax rate to finance the $1,319,345 city budget will be broken down into 99 cents for general purpose, 49 cents for recreation, parks, library, retirement, bond redemption.

Last year's general purpose rate was 76 cents per $100. The council was able to hold the line by cutting allocations for the non-general-purpose items.

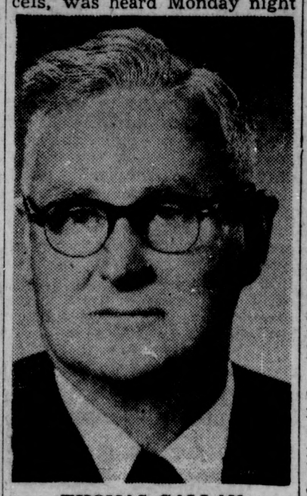
The employee wage hikes are expected to be approved Monday, along with the budget and tax rate, and will take effect September 1.

Raises for department heads and administrators were deferred by the council and will be turned over to the personnel board for recommendation.

Councilmen also learned from Accountant Robert Hunter that the city has a reserve of $300,000, most of which must be kept unencumbered to carry the city through the "dry" period from July to December when no tax revenues are received.

Tax 'Bias' For Callan Is Studied

Allegation that Supervisor Thomas Callan of Colma received unusually low assessment on his property, as compared with neighboring parcels, was heard Monday night



THOMAS CALLAN
. . . . Taxes Too Low?

by the San Mateo county grand jury.

Six country clubs throughout the county contended that acreage owned by Callan was assessed at one quarter the value of the golf club property adjacent to the supervisor's land.

Ralph Clark, San Mateo appraiser and realtor, cited one

Probe On SF Water Is Dropped

SWEETNESS, LIGHT PREVAILS AT MEET

Councilmen, meeting Wednesday to consider "disciplinary action" against water supervisor Charles A. (Gus) Ford for the "unauthorized" purchase of San Francisco water, decided to drop the whole matter.

City Manager Howard Stites said that he did not recommen "any disciplinary action at this time" against Ford, who reportedly authorized expenditure of some $2588 in San Francisco water this summer, although Daly City had an adequate supply available through use of a "cross-over" system.

Stites said he thought "we can get cooperation out of Ford."

Councilman Paul Hupf suggested, "We put the whole matter aside," and all the other councilmen concurred, with the exception of Micheal De Bernardi.

The latter argued that a report issued last week by Public works director Otis Calhoun "hurt" Ford's name. Calhoun cited "gross negligence and complete disregard of instructions" by Ford in failure to report purchase of San Francisco water to Calhoun.

"The whole trouble with this city has been that each department head has had things his own way in the past. We've never had any discipline. We've got to have one man to control the various departments and leave politics out of it."

Francis Pushes For Stop Signals At Two Locations

A strong request to the State Division of Highways was renewed today by Assemblyman Louis Francis for the installation of traffic control signals or the construction of an underpass at the dangerous intersections at Westridge and Westmoor on Skyline Boulevard in Daly City.

This is the second request by the state legislator to B. W. Booker, assistant state highway engineer, in charge of District IV in San Francisco.

Francis stressed in his official request that "some adequate traffic control signals must be installed or an underpass constructed at these dangerous intersections in the near future for the protection and safety of school children and pedestrians."

He informed Booker that Vista Mar Elementary school will be completed early next year and two other schools in the future just east of Skyline boulevard in this locality. Francis also said that estimates show nearly 1000 children will cross Skyline boulevard from two to four times daily after the construction of the three schools.

County Ups Tax Rate 13 Cents --Revenues Short

A tax rate of $1.69 per $100, up 13 cents over last year, was adopted by San Mateo county board of supervisors Tuesday.

The rate hike was seven cents over the original increase predicted by County Manager E. R. Stallings.

Stallings said the unexpected boost was necessary because the general fund balances and miscellaneous revenue reserves with which the county hoped to start the new fiscal year "were not what was expected."

The tax rate will finance a $22,884,777 budget approved by supervisors.

BREAK SEEN IN GAS PRICE WAR

A break appeared today in the gas price war that has hit northern San Mateo county as local dealers hiked price of regular gasoline two cents from the low of 29.9 cents advertised last week.

The price war has been in progress in San Francisco for several weeks and spread to the Daly City, north San Mateo county area, August 9.

Through last week, local dealers advertised regular gasoline at 29.9 cents a gallon, five cents cheaper than the established rate of 34.9, and cut ethyl prices from 36.6 to 32.9.

The raise of regular price to 31.9, initiated by Standard Stations, set off the chain reaction that is expected to restore prices to normal.

A gas war here last year lasted 2½ months.

The Town Record

By MONTE DAYTON

North San Mateo County Sanitation district, although seldom in the limelight, has its woes too.

Last Thursday the district's new stake truck was slightly damaged when an auto smashed into the side of the vehicle.

Monday the district learned that it could not bill the U. S. government in advance for sanitation services provided the NIKE station in the Crocker hills. The government politely pointed out that, "we do not pay in advance." So the district decided to bill Uncle Sam semi-annually.

A little further down on the

City Loses Dogcatcher, Pound Reported Next

Daly City's poundmaster Charles Maschinot has been named to job of police dispatcher in the first step in the eventual abandonment of the city pound.

Maschinot, a 3½-year veteran on the poundmaster job, has been temporarily appointed as a police dispatcher and the "dog-catcher" post is being held for the time being by a street department worker, Bob Galindo.

Under a plan announced several months ago by the city manager, Daly City would abandon its pound service and contract with the SPCA for the handling of animals.

The long-range program calls for construction of a north county animal shelter to serve Daly City, San Bruno and South San Francisco. Daly City would erect the building, under county financing, and the SPCA would service the facility.

One insider said the Daly City pound, located in the Crocker hills off Hillside boulevard, would be abandoned within 30 days.

Stites said abandonment of city pound services would save the city some $2500 a year.

Summer Rec Ends 10-Week Run Friday

Daly City's ten-week summer recreation program draws to a close this Friday.

All city and school recreation facilities will close at that time, according to the department of parks and recreation.

Only facility to remain open will be the War Memorial community center. Opening hours will be from 1 to 4 p.m. Monday through Friday, and Monday, Wednesday and Friday evenings from 7 to 9:30 p.m.

Facilities and programs will be made available again on September 16, when the department opens its fall and winter schedules at all school and city areas.

For more recreation news, see Sports.

BOCCI, BLUM CHOICE FOR SUPERIOR, MUNI COURT JOBS

Municipal Judge Thomas L. Bocci will win appointment to the superior court bench and City Attorney Frank Blum will be named as his replacement, a source close to the governor revealed today.

Bocci will preside over the new San Mateo county superior court department to be established in South San Francisco. At 34 years of age, Bocci will be one of the youngest upper court jurists in the state.

Blum, 33 Dorchester drive, has been city attorney here for the past eight years and practices law in Daly City and San Francisco. He is 45 years old.

Blum has long been considered one of the top contenders for appointment to the northern district municipal court, should Bocci be elevated to the superior court.

Bocci, who lives at 117 Garden Lane, Garden Village, has been rumored as the top candidate for the superior court job since South San Francisco first became eligible for the upper court. Bocci is active in Knights of Colombus, Italian-American club and many other local organizations.

Governor Goodwin Knight was scheduled to make his recommendations this Thursday to the State Bar association. Approval of his appointments is usually only a formality.

One other San Mateo county appointment will be made by Knight. He is expected to name Marcel Biscay, San Bruno city attorney, to the second central district municipal court.

The appointments would give the Daly City area representation on both the municipal and superior court level, if the Bocci, Blum selections are confirmed.

Official announcement of the appointments is not expected until next week.

JUDGE THOMAS L. BOCCI
. . . . Going Up?

FRANK BLUM
. . . . Appointment Seen

WOODSIDE, BAH!

Colma Taxes Lowest

The recently-incorporated City of Woodside, San Mateo county, last week announced its tax rate at 10 cents and claimed the distinction of having the "lowest rate for any city in the state, possibly the nation."

Colma town councilmen merely smiled at this boast.

The town of Colma, a sixth class city, has NO tax rate.

Yes, you read that right. Colma takes care of its several hundred citizens on what obviously must be the lowest municipal tax rate in the nation—nothing.

While most California city fathers are just winding up the exhausting task of completing a budget and tremulously announcing tax rate increases, Colma councilmen have been going about their business as usual.

The council does not even operate on a budget, but merely spends the money out of its ample reserves when necessity dictates.

The city contracts for most of its services, paying $1500 a year to the Colma Fire district for fire protection, $250 to Broadmoor Police district for ambulance service. The county provides library service, while sanitation is taken care of through septic tanks.

Colma has its own police service, provided by Albert Lagomarsino, police chief, who along with his wife, Blanche, city clerk, constitute the city's only two paid personnel.

The bulk of Colma's revenue comes from burial permits, with the city receiving $1.50 from each $2.50 permit, the remainder going to the county, for which the city receives sundry services. This brings in between $1500 and $2000 a month to the city coffers, more than enough to meet current obligations.

The city keeps a balance of about $1500 in their commercial account to pay bills, depositing their $4000 remainder in time deposits, which brings in additional revenue.

The only tax that a Colma resident ever pays direct to his own city government is the burial permit fee—when he dies.

And that's one tax that is paid without any fuss.

COLLEGE HEAD TELLS CAMPUS NEED HERE

Dr. Julio Bortolazzo, president of the College of San Mateo, speaking before last week's luncheon meeting of the Daly City Chamber of

DR. BORTOLAZZO
. . . . An 11-Point Plan

Commerce, underscored the urgent need to modernize and expand the present inadequate facilities of the college in order to provide for the increasing number of students enrolling each year.

"For 35 years," Dr. Bortolazzo said, "the college has been in search of a permanent unified campus. During those years, in spite of make-shift classrooms and innumerable hardships, the college has been able to maintain one of the highest ratings in the state."

In order to find the means to alleviate crowded conditions at the county's only college, a Citizens' Advisory Committee was set up by the college's trustees last August. North county members of this committee were Tony Gaggero, Lyal Ingersoll, Peter Markovich and Donald Miller.

For nine months the committee studied and explored all aspects of the college. In July of this year, after nineteen meetings, the advisory group

(Continued on Page 2)

MEAT SALE BAN MAY BE LIFTED MONDAY NIGHT

A turnabout on the recent council action to uphold the 6 p.m. closing hour for sale of meat is expected to be reversed Monday night.

As a result of discussion at study session Wednesday Councilman Micheal De Bernardi indicated he would switch his vote in favor of rescinding the 28-year-old ordinance prohibiting sale of uncooked meat after 6 p.m.

This would give the repeal a 3-2 edge, since Mayor Joseph Verducci and Councilman Del Wilson have favored doing away with the restrictive legislation.

De Bernardi said he changed his mind because there was apparently no health factor involved in the sale of meats after 6 p.m., according to a letter received from the health department last week.

FIVE CHILDREN SAFE AS FIRE HITS DC HOME

A Daly City housewife rushed her five young children to safety early Thursday morning just before flames and smoke swept up the wall and into the attic of her home.

Mrs. Marie Spece, 10 Muirwood drive, was doing laundry at her home at 1:50 a.m. when she smelled smoke.

She attempted unsuccessfully to douse the flames herself, then called firemen. She removed the five children, ranging in age from four months to 11, from the burning home, with aid of Daly City police.

Fire Chief Elmer Kennedy said an overheated floor furname started the blaze, spreading to the wall and into the attic.

Firemen had to tear out the wall to extinguish flames in the attic.

Damage to the biulding, furnishings and clothing was estimated at $2000.

'Back To School' Data In This Issue

A special "back to school" section appears on Page 4 of this week's paper.

Important information about school officials, new teachers and schedules is included in the "back to school" section.

Additional stories on the opening of local schools will appear in the next two weeks' editions.

Westmoor Classes To Be Ready

Westmoor High school will open on schedule September 10, Jefferson High School district business manager Fred Goodell announced today.

School officials had feared construction delays would force a one or two week postponement of school opening for some 1150 Westmoor youngsters.

Goodell said that all facilit-

(Continued on Page 2)

'Francis Heights' Maps Presented --Plan 1600 Homes

Tentative maps for St. Francis Heights subdivision, and a 21-acre tract owned by Mike Callan were submitted to the Daly City planning commission Tuesday and will come up for approval September 17.

The St. Francis Heights maps included the entire residential development of approximately 1600 homes but did not designate commercial areas.

Callan's residential subdivision is adjacent to Westmoor High school site and is the land Callan obtained as a result of the partition suit with the Zita Corporation, developers of St. Francis Heights.

Planners also set September 17 as date for hearings on four requests for variances.

They included: request by Reginald Wagner, 190 Alexander, to add room to his home; petition from Henry Doelger Builder Inc. for R-3 zoning south of the Westlake post office to establish apartment dwellings; application from Caesar-Callan Development Co. to have minimum setback reduced from 15 to six feet on apartments to be constructed in the Seventy-five Dollar homestead. The firm also asked that garage requirements be reduced from one garage for each apartment, or 100 per cent, to 78 per cent.

In other action, the commission:

1. Granted use permit for St. Martin's Episcopal church to construct church on southeast corner of Bradley and Southgate.

2. Approved use permit for Toyland Nursery school to construct nursery school annex at 200 North Parkview avenue.

3. Continued to September 17 the request of Schenones to establish C-1 zoning on their property, at request of their attorney. Jefferson Elementary School district is expected to have designated its site needs for Margaret Pauline Brown school by that time.

4. Continued application of Romolo Blasi for variance to expand grocery store and construct apartments on Bellevue avenue.

5. Approved request of Joseph Sarto for R-3 zoning on property adjacent to his Villa Sanitarium, which will be used for expansion of the rest home.

BIG POW WOW—The atmosphere was friendly at this Friday's conclave but San Francisco school chiefs still avowed that they would protest the Jefferson Elementary School district's quest to take over three acres of San Francisco land for a portion of the new 10-acre General Pershing school site. Attending this conference in San Francisco Friday were state, Jefferson and San Francisco officials. The San Francisco school board and supervisors Monday reiterated their stand to protest the land acquisition before the state allocations board, which will eventually decide the issue. In foreground (left to right) are local trustee Doris Wimberly, engineer Joe Kaplan, JESD superintendent H. Z. Weibel and his assistant David Shapiro. JESD Board chairman Hartley Appleton was also present.

THE RECORD photo

Tax 'Bias' For Callan Is Studied

(Continued from Page 1)

instance in which two parcels of land owned by Callan and located near the California golf and country club carry lower property assessments than adjoining privately owned land. The figures were secured while Clark was preparing a protest on behalf of the California club against recent assessment increases ordered by the county. All the other private golf clubs in the county have also appealed the assessment increases.

The charges were referred to the grand jury's assessor's committee for study.

The jurors are also considering a complaint that former county engineer M. A. Grant purchased land from himself while in his county position of buying right-of-way for realignment of the Honda-San Gregorio road.

12-VOLT BATTERY

Most cars built today are equipped with 12-volt batteries and they require more attention in keeping them clean than the 6-volt type used formerly, says the California State Automobile Association. The reason is that a 12-volt battery has less space above the plates than the same-size 6-volt battery and is more easily overfilled. When the generator is charging, the electrolyte expands, and if the battery has been slightly overfilled the solution flows out of the cells onto the top of the battery and causes corrosion. Check the condition of your car's battery regularly, do not overfill, and have it cleaned promptly if there is corrosion.

State Sets Hearing On Serra Freeway

During the last week of September, investigations which have been made for the location of the Junipero Serra Freeway in San Mateo county, will be formally presented to the citizens of that area at a public hearing. All locations which have been studided for the section of the route between San Bruno and the San Mateo-Santa Clara county line will be discussed at that time.

Arrangements are being made for a display of maps detailing the alternate routes for public inspection in the area prior to the date of the hearing. Upon completion of these arrangements, the location and date of the display will be announced.

The public hearing will be scheduled for a central location on the peninsula following the map exhibit, and at that time individuals having an interest in the location of this future freeway may express their views concerning the various alternates which have been investigated. More definite information regarding the date and location of the hearing will be announced later.

MOUNTAIN LION

The cougar or mountain lion, according to the National Automobile Club, has many characteristics of the house cat and like it is said to be exceedingly playful.

The American Cancer Society says that research has developed hormones, certain drugs and some radioactive substances that have proved extremely valuable in treating certain cancers.

Westmoor Classes To Be Ready

(Continued from Page 1)

ies, with the exception of the Little Theater and gymnasium, would be ready for the opening. Installation of seats at the theater will not be completed until about September 24, while the gymnasium floor "may possibly" be ready for school opening, but it'll be a "tight finish," Goodell estimated.

Extra gardeners have been hired to rush planting of some 14 acres of lawn and shrubs at the new Westmoor plant.

A total of 1175 youngsters are expected to report for opening day at the Jefferson school plant on Mission street, which last year housed double sessions.

Opening of Westmoor will allow the area's 2325 high school children to return to a full day schedule.

Other details on school openings may be found in the special "Back to School" section in this week's RECORD.

New Vallemar School Boasts Unique Design

Coastsiders can look with pride at their new Vallemar school, which opens September 10 for 430 students.

Quite different from the Laguna Salada district's six older schools, Vallemar consists of individual four classroom units grouped in radial fashion around a central patio-court.

This unique patio-court is completely enclosed on the perimeter by the buildings and with a steel-beamed over-hang above—which provides maximum shelter during bad weather. Classrooms facing the inside look out on what later will become a landscaped quadrangle.

Raymond A. Riley, former principal of the Oddstad "convertible" school (temporary site), will be the man in charge of Vallemar. He has been with the Laguna Salada district five years.

The attractive Vallemar plant consists of 10 primary and intermediate grade classrooms, two kindergartens, multi-use room, cafeteria, and administration units. Superintendent Fred Lucas and his staff recently moved into the district's new central office next to the school.

RECENTLY returned from a two-week Hawaiian vacation, which included a visit to all the islands in the Hawaiian group and an extensive tour of Oahu, are Mr. and Mrs. Max Cohen of Westlake.

The Town Record

(Continued from Page 1)

agenda, the district directors discovered that another U. S. government installation, the Olympic AAA gun site, has been receiving sanitation service free since 1955, although it is outside of the district boundaries.

Directors will start billing the government immediately for this extra service.

. . . . but not in advance.

Those 772 Templeton avenue residents want it pointed out that the vehicle parked in front of their home is "not abandoned and not decrepit, even if it is a little old."

They assert, contrary to earlier report, that the auto is used quite regularly and is not violating any city law in being parked in front of the home.

Enuf said on this matter.

School Trustee HARTLEY APPLETON says that the acts of "vandalism" against school board members property is not malicious, at least in his case.

Last week Appleton returned home to find his walk smeared with a gooey, smelly substance.

He later learned that several young fry had found some dead fish, and for lack of a suitable disposal site, dumped them on Appleton's yard.

Some of the other neighborhood kids, good samaritans, saw the discarded fish and cleaned up the Apleton's yard, but the fishy smell was still there when Hartley returned home.

And so ends the makings of a great cloak and dagger news story.

As dundee as a dead mackerel.

SCOUTS LEARN ALL PHASES OF HUNTER SAFETY

Thanks to a series of junior hunter safety training courses sponsored yearly by the San Francisco Boy Scout Council, many hundreds of Boy Scouts will be safer hunters when they take to the woods.

The final junior hunter safety training course was held last weekend at Camp Lilienthal in Fairfax, Marin County, the Council's training center.

The Scouts learned the complete and safe process of hunting—everything from how to spot and recognize game to the proper care and safety with firearms.

California state law requires all junior hunters (boys and girls under 16) to take a minimum of four hours of instruction and pass a written examination before securing a state hunting license.

According to the California State Department of Fish and Game, the total fatalities from hunting accidents in 1956 was 23 in California alone. The total non-fatal accidents were 108. However, there was a drop of 18 per cent in hunting accidents last year among the state's 650,000 licensed hunters.

Parkmerced Scouts who attended were D. C. Bryant, Scoutmaster of Troop 340 and his two sons, Bob and Don. Troop 340 is sponsored by the Lake Merced Club.

Attending from Daly City was Ricky Fields, 12, 231 Wilshire avenue, of Troop 240, sponsored by the Westlake PTA, and David Kazakoff, 69 Montrose, Troop 157.

BURGLARS PROVE EFFICIENT; HIT 'ENTIRE BLOCK'

Methodical burglars took at least $3000 in furs, jewelry and other loot from three adjoining Colma homes in broad daylight Tuesday afternoon.

Broadmoor police reported that residences of Edward Bocci, Rose Bertucci, and Ivan McDaniel, 275, 265 and 280 Pierce street, respectively, were broken into by forcing rear windows of the homes.

Chief Ray Savage said the job must have required at least two operators, one to loot the homes and the other to act as lookout.

No one saw anyone suspicious around the homes, as the residences are all partly concealed by trees on the short block.

Most of the swag was taken from the Bocci home, Savage said. A complete tabulation of missing items has not be completed, but the chief said the homeowners reported two revolvers, jewelry and furs taken.

LAGUNA SALADA WILL ENLARGE FOUR SCHOOLS

Administrators of the Laguna Salada school district this month will seek state funds for enlarging and improving four schools.

Supt. Fred Lucas said the major requests will include the addition of six classrooms at Pedro Valley school No. 3 (now under construction), and four extra classrooms each at Westview, Sharp Park and the first Pedro Valley school.

Plans also are charted for libraries, special studies rooms, site development, et cetera.

The architect's estimate on the four projects is $871,269. Except for $71,000, reserved by the federal government under Public Law 815 for use by the district, the funds will be provided by state loan, according to John Munt, assistant superintendent.

7 Laguna Salada Schools Await 4000 Youngsters

Superintendent Frederick E. Lucas announced this week that elementary school enrollment for the Laguna Salada District will be a record-breaking 4000 this September, if present projections hold true.

Last year, the six Coastside schools opened with 3300 pupils and required the services of 100 regular classroom teachers. This year an additional 17 teachers have been employed to handle the regular classroom teaching duties made necessary by the increase in pupil population.

This increase will be absorbed, for the most part, by the opening of the district's seventh school (the third new one in as many years) at Vallemar. This school, unique with its radial design surrounding a centrally enclosed patio-court, will accommodate approximately 430 pupils.

Much of the increased enrollment is due to a very large entering class—600 in kindergarten—against a graduating class of only 200.

More Services

The mushrooming pupil population requires increased special services personnel to meet the many needs of youngsters.

This year the district has increased both the nursing and curriculum staffs from two to three full time nurses and curriculum consultants, respectively. In addition, the district will now have two full-time instrumental music teachers where last year it had one; and one full-time director of guidance and welfare services where last year it had a part-time person only. The district will continue with the services of one full-time psychologist, speech, special education and home teachers.

To offer more help to youngsters requiring extra or special instruction, the three assistant principals will teach "catch-up" classes on a regularly scheduled basis as part of their routine.

To reinforce the instruction program, many new books, visual aids and special materials have been purchased for distribution and use by all of the schools through the curriculum center.

More Sports

To help meet some of the recreational and leisure time needs of the youngsters, each school will offer some form of after-school inter-mural activities two days a week. This program will be worked out by each building principal shortly after school opens.

Registration for pupils not previously enrolled in the Laguna Salada District will be held Wednesday, August 28. Registration will be held in all schools between the hours of 9 and 12 a.m. and 1 to 3 p.m. Parents with kindergarten age children are reminded that birth or baptismal records must be presented in order to complete registration.

To be eligible for kindergarten, the child must be five years old on or before December 2, 1957. Parents are reminded to watch the papers for bus schedules and to go to the schools in their area over the September 7 through 9 week-end when school and class assignments will be posted.

Enrollment Breakdown

The anticipated 4000 enrollment for Laguna Salada District breaks down by grades as follows:

Kindergarten, 618; 1st grade, 613; 2nd grade, 548; 3rd grade, 498; 4th grade, 443; 5th grade, 391; 6th grade, 407; 7th grade, 272; 8th grade, 210.

The pupil population definitely represents an isosocles triangle with the apex at the upper grades. The entering kindergarten crop is approximately three times larger than the eighth grade class and equals what was the entire district enrollment only five years ago.

College Head Tells Campus Need Here

(Continued from Page 1)

presented to the trustees and the public an 11-point plan, which included the recommendations that the college be relocated on a central campus and that two more sites be sought; one on the coastside and one in the north county.

Dr. Botorlazzo said that the development of the central campus and the acquisition of a north county site, as recommended by the advisory committee, will be financed through a college bond issue to be presented to district voters on October 15.

As an indication of the educational advantages presently being offered to young North County residents by the college, Dr. Bortolazzo pointed out that last spring 547 Jefferson High School district students signed up for various junior college courses.

TRAFFIC SAFETY OFFICIALS MEET ON DC PROGRAM

Administrators of the statewide Inter-City Accident Prevention Contest conferred recently with local officials for the purpose of discussing the progress of the community's stepped-up traffic safety program.

Supplementing the speed control campaign from Memorial Day through Labor Day, the contest is sponsored by the California Association of Insurance Agents, coordinated by the National Automobile Club, and managed by the California Traffic Safety Foundation. According to Insp. H. Sundermann, Daly City police department, of the 118 California cities participating during 1956, a no-fatality record was achieved by 84 incorporated areas for the three month period.

HATS OFF TO SUMMER RECREATION

Today marks the wind-up of the Daly City summer recreation program and the allied city-schools activities.

We would like to commend the city director, his staff, the workers from the unincorporated areas and the school personnel for the outstanding 10-week program, which some experts in the field have termed one of the best in the state.

Thousands of children have spent hundreds of hours of wholesome, enjoyable activity, constantly under the expert supervision of the city-schools staffs.

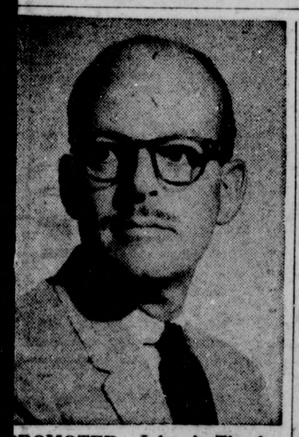
The money invested in recreation has been money well spent, and we look forward to an equally comprehensive program through the winter months.

Through well-planned recreation, youngsters not only spend many pleasureable hours but develop physique and character.

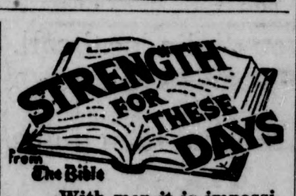
Our hats are off to those who drafted and carried off an excellent summer recreation program.

"YOU'VE GOT TO REDUCE!"

STAR BOARDER!



PROMOTED—John A. Thackston is new manager of California State Automobile Association's Westlake district office, serving northern San Mateo County. He is former sales manager in the Oakland district office of the AAA motorists' organization.



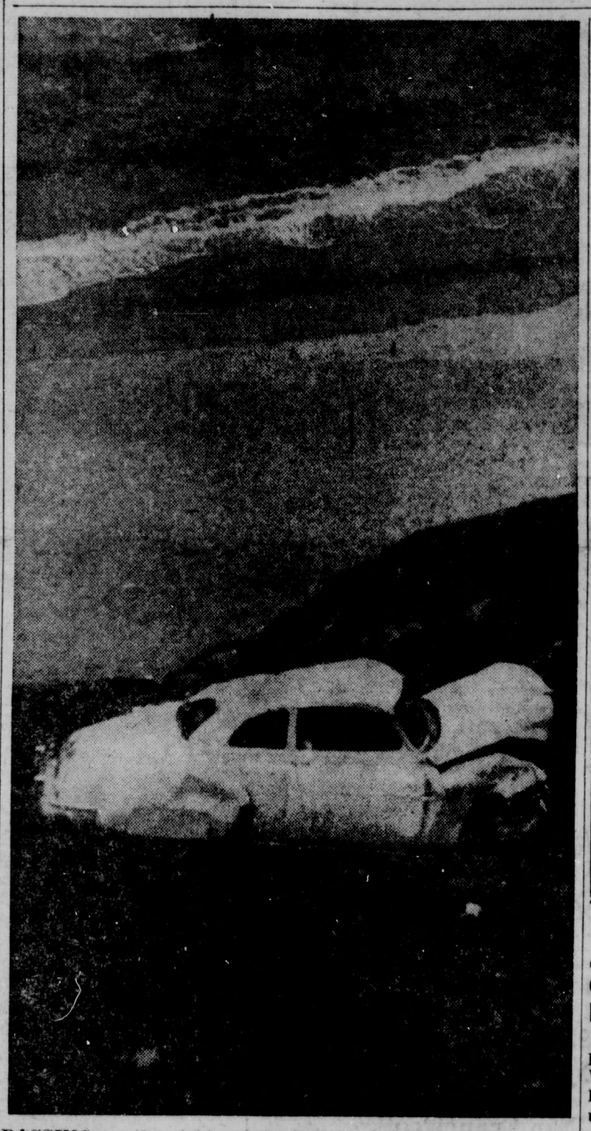
...With men it is impossible, but not with God: for with God all things are possible.—(St. Mark 10,27.)

There is no limit to God's love for us, His children, or to His power to help us in all mortal troubles large or small. Therefore we overcome all fear and anxiety when, through faith, we ask His blessing and then place our complete trust in Him.

FUEL

One large steel-producing company burns enough petroleum fuel in one year to heat a five-room house for 380 centuries, according to the National Automobile Club.

FAMED SHRINE—Chief Albert Bettencourt, Hideo Yamada and Gerald Enos, of Modesto, and Chief Cyrus Hershman of Daly City, are shown at the 700-year-old Dai Butsu in Kamakura, Japan, by two kimona-clad guides. The 42-foot-high Dai Butsu, or "Number One Buddha," was designed in the year 1250. The reservists recently returned from three weeks active duty for training in the Western Pacific in connection with "Operations Deployment West."



PASSING on the right resulted in a 300-foot plunge off Coast highway at Thornton Beach just before noon Friday. Dominic Mondell, 39, the dirver, escaped with multiple fractures. He was taken to St. Luke's hospital. Officer Les Bastedo reported that the San Francisco man must have been going about 70 mph when the illegal move almost took his life.

Letters To The Editor

San Franciscan Lauds Swim Training

Dear Sir,

Just a word of praise for the Red Cross swimming instruction held at Jefferson High school.

I have been very pleased with the routine, clean pool, very patient young instructors, and, mainly, leadership of Mr. Orlich and Mrs. Van Fleet. You have a fine group of workers at Jefferson High school and a very efficient Red Cross swimming program.

Sincerely,
Mrs. Sal Germano

WINNER TWELFTH NATIONAL SAFETY POSTER CONTEST

County Announces Final Polio Shots

The San Mateo County Department of Public Health and Welfare has only two more polio immunization clinics scheduled before August 31 and the closing of the program. These clinics will be held this Wednesday, August 21, and Wednesday, August 28 at the Health Center, 225 - 37th avenue, San Mateo, from 5 to 8 p.m.

FAREWELL token of thanks in the form of a complete set of luggage goes to Daly City's Andy Castle (right), retiring secretary of the San Mateo County Restaurant and Tavern Owners association. Andy is off for Montana where he will attend college for his master's degree. Presenting the departure gift is Bill Sanford, manager of Sanford's restaurant on Mission street.

THE RECORD photo

Reservist In Major Navy Operation

Chief Yeoman Cyrus Hershman, 49 Lake Vista avenue, Daly City, was one of the outstanding Naval Reservists currently taking part in "Operation Deployment West"—demonstrating how fast the Navy can send ready reservists to ships of the Seventh Fleet in Western Pacific waters.

They are picked men for surface and electronic divisions from 17 midwest and western states and the Territory of Hawaii who have won top places in national competition.

Just 35 hours after reporting in at the Alameda Naval Air Station they were aboard the light cruiser USS Worcester (CL 144)—affectionately known as the "Wandering Wo"—at Yokosuka, Japan.

They were airlifted from Travis Air Force Base, Fairfield, aboard Military Air Transport Service planes, to Atsugi Naval Air Station, Japan, with stopovers at Hawaii and Wake Island.

While aboard the Wandering Wo they stood regular in Port and underway watches, took part in seamanship, gunnery, navigation and communications drills and went on liberty with their regular Navy "running mates" in Japan and Hong Kong.

Chief Hershaman, who has served in the regular and reserve Navy for 17 years, is a member of Naval Reserve Surface Division 12-16, which drills each week at the Naval Reserve Training Center, Hanger 2, Treasure Island.

After serving in the Pacific Theater of Operations aboard minesweepers during World War II, he was released from active duty and joined the reserves, only to be recalled again during the Korean conflict.

Chief Hershaman and his wife, Maxine, have two children. He is a Freight Claims Adjuster for the Southern Pacific Railroad Company in San Francisco.

The reservists returned to Alameda Naval Air Station by air from Manila Friday.

Two For Tonight

By Leonore Brewer

We had intended to brief you on the struggle for power going on at Loew's in New York, with the Metro studio the prize, but as this is a bit out of our depth we're afraid we'd probably sink into its complexities without a trace.

Instead, we'll refer to an article in the August Fortune magazine which delves into this battle of the titans. For the sake of those of us who generally skip the financial page, part of the story is told in cartoon form.

Since we've started talking about the film industry, we may just as well stick with it by bringing up the subject of silent pictures, in particular "Hunchback of Notre Dame," released in 1923 starring Lon Chaney, and the only silent film on the San Francisco Jewish Community Center's Summer Film Festival.

Innocent Merriment

It couldn't have been screened at a better time. A remake is standing in the wings waiting to be released, and a screen treatment of Chaney's life is currently on Market street.

Of course, a 34 year old film must be viewed con amore, keeping in mind what they accomplished with what they had. The titles inserted between scenes and the unrestrained acting always arouse a good deal of innocent merriment, but there would have been fewer laughs had there been a musical accompaniment. This statement is based on personal experience at other film series where records were used and one never to be forgotten instance when someone played the original piano score. Silent films were never meant to be watched in silence.

Another Spectacle

We have always understood that "Hunchback" was one of the masterpieces of the past, and being curious as to how it was received, we checked. You are going to be amazed. Aside from the protests about the twisting of the story lines, there were important critics who felt that when you've seen one spectacle, you've seen them all. This, in 1923!

Chaney, whom we revere as a master of makeup, was criticized by another important critic for his artificially made-up face which "made it impossible for him to express emotion." If this critic is still alive, he should read this week's Saturday Review.

Incidentally, on the same page of that September 1923 Literary Digest is a blast by a staff writer for the New York Tribune, criticizing movies for "their monumental silliness" and "palpable debauching of public taste!"

Doesn't that have a familiar ring?

INVITING THE UNDERTAKER-

Veterans News

By Grace J. Hill

Veterans 70 percent or more disabled in war-time service may get free hunting licenses, fishing licenses, deer tags and pheasant tags on or after September 11, effective date of a new state law. They may apply for licenses now.

Heretofore, the free hunting and fishing privilege was available only to 100 persent disabled veterans. The law making this privilege more liberal becomes operative September 11. To qualify for the licenses and tags, veteran applicants will need proof of an honorable discharge from the service and a certificate from the Veterans Administration (dated within the last six months) stating the degree of disability and that it was service-connected,

Thing To Do

The State Department of Fish and Game also wants to know the veteran's full name, home address, date of birth, height, weight, sex, color of eyes and hair—all needed for positive identification.

These licenses cannot be obtained locally, since the Department of Fish and Game keeps close tabs on them. The veteran must apply to the following address: License Section, Fish & Game Dept., 722 Capital avenue, Sacramento 14, Calif.

These are sport licenses only—not for commercial purposes.

Application for Cal-Vet Loans should be looked into at once as it is becoming more difficult to obtain these loans. Veterans wishing to change over to this service should see the service officer of any veteran organization or contact the office at 49 Fourth street.

Birthday Party

Broadmoor Unit 824, American Legion Auxiliary, celebrated their birthday with a party last Tuesday evening. Their work with the Boy Scouts and Girl Scouts during the summer has been outstanding. It helps the youngsters have an interesting vacation.

El Camino Unit 694, American Legion Auxiliary, will hold their Ward Party at Ft. Miley hospital, Thursday evening, August 29. Entertainment, games and refreshments will provide an evening of relaxation for the boys.

Lake Merced Unit 9921, Veterans of Foreign Wars, was represented at the district meeting at Morgan Hill, last Sunday, by Mesdames Rose Fisher, La Nilta Dunn and Anita Woods.

Members of Lake Merced Post 9921, VFW, have been busy taking the Boy Scout Troop on hiking trips, and otherwise entertaining the boys with games, contests and workshop activities.

Brisbane Unit 473, American Legion Auxiliary, will hold a rummage sale, August 26, 27 and 28, in the Legion Hall in Brisbane. Funds derived from this sale will go toward community service and child welfare activities.

My Neighbors

"No, I didn't run into a truck. I ran into their union!"

"Nowadays the hand that rocks the cradle usually gets a dollar an hour."

PIED PIPER?—No, just the Ole Woodchopper and his clarinet. Although Woody Herman is obviously besieged by some real living dolls (from the chorus line of Hollywood's world-famous Moulin Rouge), he looks undisturbed. That's because Woody and the girls are all coming to Sacramento to participate in the Night Shows at the California State Fair, August 28-September 8. The Moulin Rouge will give two different shows, August 28-30, and August 31-September 2, and Woody will headline the shows September 3-5. The final three nights will be "Stars on Parade," featuring singer Sonny James, and other top acts.

Superintendents Guide Districts

At the helm of local schools are three superintendents who administrate the functions of the districts, under the policy-making guidance of the boards of trustees.

Heading up the largest district in the area, Jefferson High school, which encompasses two school plants, is Edward Morgan, who has served in that capacity here one year.

H. Z. Weibel directs the activities of the Jefferson Elementary district, while Frederick Lucas heads the Laguna Salada Elementary schools.

The area's two high schools are administered by Glenn South and John Mongan, principals at Westmoor and Jefferson schools, respectively.

JOHN MONGAN . . Jefferson Principal

H. Z. WEIBEL . . . Directs JESD

GLENN SOUTH . . Westmoor Principal

EDWARD MORGAN . . . Hi School Chief

Red Cross Issues 'Disaster Manual'

Distribution of the 60-page Disaster Manual of the San Mateo County Chapter of Red Cross is better than 50 per cent complete, according to Edward George, disaster chairman for the organization.

George and Lloyd Morrison, deputy disaster chairman, have personally called on the various county and city offices to deliver the book and to explain its purpose.

In Daly City, South San Francisco, San Bruno and Millbrae, Red Cross coordinators Joseph Lewkowitz, Victor Robinson, Burt Mills and Bill Glang respectively, will personally call to deliver copies to department heads within a few days, George said.

The manual lists in detail Red Cross responsibilities and its course of action in both natural and war disaster, and contains a complete roster of personnel listed by areas and by committees.

Grubb Starts Plebe Training At Academy

Receiving indoctrination at the U. S. Naval Academy, Annapolis, Md., in advance of the regular academic year is Robert G. Grubb, son of Mr. and Mrs. Willard J. Grubb of 468 San Diego avenue, Daly City, a graduate of Jefferson High school, who entered the Academy on a Secretary of the Navy appointment.

Members of the fourth, or "plebe" class, will begin regular classes September 5, and are scheduled to graduate in 1961.

If cancer had been conquered a dozen years ago, says the American Cancer Society, we would not have lost to this disease one of the world's greatest scientists, the father of the atomic bomb, Dr. Enrico Fermi, who was only 53 years old.

Top Echelon Job Of Instruction Chief At JESD

The $12,000 a year position of assistant superintendent in charge of instruction will be occupied this fall in Jefferson Elementary school district by Dr. Vinton S. Stratton, a veteran of 20 years in education.

Stratton, 42, and the father of two high school-age children, was appointed to the newly authorized job early this month.

During the last 10 years, the appointee has worked in curriculum development as a supervising principal for the San Jose school district. He has taught teacher education courses at Stanford during summer sessions and was employed by San Jose State College on a part-time basis last year for the supervision of student teachers training in elementary education.

Dr. Stratton holds four California teaching credentials: general elementary, general secondary, elementary administrative and secondary administrative.

He attended University of California for two years, received his A.B. in education from College of Pacific in 1941, and his master's and his doctorate at Stanford.

Dr. Stratton is a member of the California Teachers Association, National Education Association, Phi Delta Kappa, the Scottish rite, and has served as president of the Bay Section of the California Elementary School Administrators Association.

He will work with the teaching and administrative staffs to develop courses of study and guides that will determine what the pupils will be taught, when it shall be taught and how it might best be taught.

DMV Announces New Regulations Applicable To Teenage Drivers

Teenage drivers are affcctcd vitally by a series of new laws which go into effect September 11.

Major changes made by the Legislature at its 1957 regular session in statutes involving the driving privilege of young people were listed today by State Motor Vehicles Director Paul Mason:

1. A driver accompanying or supervising the driving of the holder of an instruction permit must be 18 years old or over.

"There has long been a problem in traffic enforcement and accident investigation work," Mason said, "in that the driver accompanying the holder of an instruction permit merely had to be licensed. This often resulted in 16-year-olds 'teaching' other 16-year-olds to drive.

"After September 11, an accompanying driver not only must have a valid operator's license, but must be at least 18 years of age."

2. The junior license as Californians have known it based on residence will no longer be issued.

"After September 11," Mason explained, "junior permits may be issued for limited periods, and in no event beyond age 16, to qualified boys and girls who require limited driving privilege for school transportation, family illness or for economic reasons. Eligibility for these reasons must be established by statements filed with the Department of Motor Vehicles."

3. Young people 15½ years old who have successfully completed in California a secondary school course in behind-the-wheel driver training may be issued a regular operator's license.

The new law makes no distinction between rural and urban residents, but sets up a program of issuing "junior permits" to any qualified person between 14 and 16 years —of age, and abolishes the "junior operator's license." In no case may a "junior permit" be issued to a person 16 years old or over.

Instruction permits will continue to be issued to persons of any age over 14 years, with the new limitation that instruction permit applicants must be qualified for a license in the first place.

This means that applicants of any qualified age must pass the DMV law and vision tests before being issued an instruction permit.

Harkness Named New Coordinator For JESD Kids

Douglas Harkness, 40, consultant in guidance and research for the Colusa County schools since 1950, has been appointed to the newly created

Douglas Harkness . . . . New Coordinator

position of Coordinator of Pupil Personnel Services in Jefferson Elementary school district.

Included in his duties will be: 1) Supervision of the district-wide testing program, including standardized group and individual tests, 2) Coordination of the special education program for exceptional children, 3) Articulation of pupil cumulative records, especially between the eighth and ninth grade levels, 4) In-service training of teachers and administrators in better mental hygiene practices, group guidance, counseling, etc, and 5) Interpretation to PTA and other groups the work the schools are doing to obtain better mental learning conditions, better mental adjustment, and better articulation with high schools.

Supt. H. Z. Weibel, commenting on the board of trustee's decision, said, "Harkness comes to us with the highest recommendations."

The newcomer, married and father of a five-year-old, received his bachelor's degree from University of British Columbia, and earned his doctorate at the University of California in Berkeley.

He was an instructor of education in Canada prior to accepting the position of acting director of testing at City College of San Francisco. He left CCSF seven years ago for the Colusa assignment.

Jeff Ads Seven New Teachers

Seven new teachers will begin duties here next month as members of the faculty at Jefferson high school, according to Principal John Mongan.

The newcomers are: Joseph J. Bava, business education; Miss E. Bernard, mathematics; Mrs. Vera Fitzgerald, school nurse; Carol E. Gehns, physical education; Richard Landucci, art; Richard Larsen, music, and Gerold Maxwell, industrial arts.

Contracts were awarded this summer by the board of trustees.

High School Class Schedule Announced

School day for Jefferson and Westmoor high schoolers this fall will begin at 8:15 and end at 2:45, according to Supt. Edward Morgan.

The time schedule, by periods:

First, 8:15 to 9:10; second, 9:15 to 10:10; third, 10:15 to 11:10; fourth (first one), 11:15 to 12:10; first lunch, 11:15 to 11:45; fourth (second one), 11:50 to 12:45; second lunch, 12:15 to 12:45; fifth, 12:50 to 1:45; sixth, 1:50 to 2:45.

SEAMAN Apprentice Steve K. McCain, 17, son of Mr. and Mrs. Robert McCain, 126 Westdale avenue, has been transferred from mess cook duty on Treasure Island to tugboat operations at the Oaklind Naval Supply Center. A former student at Jefferson High School, where he engaged in football, boxing, and basketball, McCain entered the Navy last February.

1500 Hibernians Await Annual Picnic

An estimated 1500 members of the Ancient Order of Hibernians, their families and friends will attend the annual picnic of the Hibernians September 1 at Johnson's Picnic Grounds, Boyes Springs California.

Chairman of the outing, Dan Sullivan announced that buses will leave the Irish-American Hall, 454 Valencia street, at 11 a.m. and 12 noon.

Among the events scheduled include hurling, the football long kick, tug-o-war, and the traditional sack race.

For additional information contact Tim Barrett SE 1-7120.

Top Cafeterias At Jeff, W'moor

Students at Jefferson and Westmoor high schools this fall will have exceptional cafeterias at their disposal.

Both schools will serve balanced lunches under the National School Lunch program. A complete lunch, including milk, will cost only 35 cents. Snack bars also will be in operation.

Mrs. Helen Creighton will continue to manage the Jefferson cafeteria. In charge at Westmoor will be Mrs. Irene Johnson, who formerly had her own catering business in Southern California.

Louine Bostwick Will Assume Two Principal Posts

Mrs. Louine Bostwick, who has served as cirriculum coordinator for Jefferson Elementary school district since 1952, will assume another capacity this September. She will be the supervising principal of the new Vista Grande school and of Thornton school.

Mrs. Bostwick commented: "Although I have enjoyed the work in curriculum, I am glad to return to a position that puts me in closer contact with children again."

The instructional program underwent steady growth and improvement under Mrs. Bostwick's leadership, according to Supt. H. Z. Weibel.

Mrs. Bostwick is well qualified to work with children. She raised five sons of her own.

VACATION TRIPS

About 90 per cent of American families take vacation trips each year, reports the California State Automobile Association.

Now you can dial *direct* from any city in the box above to more than 80 communities in the area shown on the map. With this *expanded* Direct Distance Dialing, places as far north as Eureka, as far south as San Luis Obispo, are right at your fingertips.

You dial these out-of-town numbers the same easy way you dial a local call. Just remember that the first two letters and the numeral of the prefix determine where your call goes. So be sure you have the right number and then dial carefully.

We've mailed you a leaflet with full facts about your expanded Direct Distance Dialing. It includes a list of the cities you can dial yourself, explains where to get out-of-town numbers, tells you what to do if you reach a wrong number. Keep it handy near your phone so you can refer to it when you dial. If you need more copies, they're available at your telephone business office.

Working together to serve you better

The men and women of Pacific Telephone

SMILING HAPPILY, Joyce Jeannine Rogers of South San Francisco and Frederick McCraith Davis of San Carlos leave St. Catherine's church after their recent wedding. The pair motored to Oregon for a week's honeymoon. They plan to live in San Francisco. Fred is employed in Stonestown as a shoe salesman.

Rogers, McCraith Are United

Vows were exchanged recently between Joyce Jeannine Rogers and Frederick McCraith Davis at St. Catherine's Catholic Church in Burlingame. Father James O'Niell performed the ceremony.

Joyce, the daughter of Mr. Everett Rogers of South San Francisco and Mrs. Ogden R. Howell of Santa Monica, attended Jefferson Union High school and San Francisco State college.

The groom, the son of Mr. and Mrs. Frederick Davis, graduated from Serra High school then went on to San Francisco State college where he majored in biological science. At State he was a member of Alpha Phi Omega, Delta Phi Gamma, and Beta Pi Sigma. He is now employed at Chandler's Shoe Store in Stonestown.

Miss Rogers wore a full length princess line gown of taffeta and nylon lace, highlighted by a sweetheart neckline with a stand up collar and long pointed sleeves. Her tiara crown was fashioned of lace and sequins, with a finger tip veil. Four lavender-throated orchids centered her bouquet of stephanotis sprays and lillies of the valley.

Miss Vivian Rogers was maid of honor. She wore pale yellow taffeta and chiffon. Mrs. Hazel Anderson, Paula Gelber, Jackie Hansen, and Sonya Thorne attended the bride. Their dresses were soft green. All wore white picture hats with a velvet ribbon that matched their gowns.

Gene George performed as best man. The ushers were Douglas Dickson, Robert Lumley, Charles Mahnken and Joe Milia.

A garden reception in South San Francisco followed the nuptials.

The couple will honeymoon at Crater Lake, Oregon then make their home in San Francisco.

List Exhibitors For Flower Show

Floor plan layouts and space assignments have been made to floral societies and nurseries for the Daly City Garden club's fourth annual flower show to be held on Sunday, September 15, from 1 p.m. to 9 p.m. at the War Memorial Building.

The following will have exhibits on display:

Floral Arts Nursery, 1595 Junipero Serra boulevard—ornamental plants suitable for patio and terrace.

Rod McLellan Company, 1450 El Camino Real, South San Francisco — extensive orchid display.

California Landscape Contractors' Association — patio display to carry out their theme of "Better Landscaping for Enjoyable Living."

Joe's Nursery, 1550 Briggs street, Daly City — plants for the show's theme, "Magic Carpet."

Pacific Plant Growers, Colma — fuchsia blooms.

I. Kramer, 231 Acton street, Daly City — fern display.

El Camino Fuchsia Society —educational display on how to grow fuchsias.

San Francisco Rose Society, American Begonio Society of San Francisco, San Francisco Dahlia Society.

WEST PORTAL CHURCH FETES NEW BUILDING

A quarter-million dollar educational unit is to be dedicated at 4:30 p.m. this Sunday, August 25, by West Portal Lutheran Church, 200 Sloat boulevard.

Speaker for the occasion will be the Rev. Henry Hartner, executive secretary for the California and Nevada District of the Lutheran Church, Missouri Synod. Officiants will be the Rev. A. H. Haake, pastor, Willis Bredehoft, principal, and Graeme Rosenau, vicar.

The building was designed by Charles Strothoff. Walter Wright served as chairman of the committee acting for the congregation. Martinelli Construction was the contractor.

Dignitaries attending the service will include Mayor Christopher, Edward Goldman, Assistant Superintendent of Schools for San Francisco; the Rev. Arthur Nitz, president of the California and Nevada District of the Lutheran Church—Missouri Synod, and the Rev. Frank Jacobson, Circuit Visitor for the Golden Gate Circuit of the District.

The new educational unit includes an auditorium-gymnasium, offices, conference room, and five classrooms. The building makes possible the addition of a ninth grade to the school. A staff of 12 will carry out the program of instruction.

Holy Angels Lists Fiesta Chairmen

At the last general meeting of the Holy Angels Parish Fall Fiesta committee, Tom Noonan, organizational committee chairman, announced the following parishioners and parish organizations as merchandising and booth chairmen:

Country store, Lou Stark; ham and bacon, Dad's Club; liquor, John Harkness; panda, Holy Name Society; dolls, Women's Guild, Mrs. A. Del Fino; games, Vince Murphy; sweet shop (cake and candy), Mrs. Ruth Meyer; snack bar, Tex Alexander; bottle game, Emydian Institute, Y.L.I.; imported foods (Italian delicacies), I.C.F., Arrio Gregorio; ring master, Guilio Boeri.

The Fiesta will be held on the church property, San Pedro road in Colma, beginning Thursday, October 3 and lasting through Sunday, October 6.

Picnic Day Sunday For DC Eagles

Colma Vista Grande Aerie 1848 and Auxiliary, F.O.E., will hold their annual picnic at Roger Reynolds Nursery park this Sunday.

One of the biggest social events of the year for the local Eagles, the outing will include free beer, soda, ice cream, dancing, games and prizes. Tickets are $1, and the youngsters can attend the shindig free.

Chairman William O'Neill said tickets may be obtained by calling any one of the following Eagles: Stan Nygowski, Del Fehl, Herm Kalinin, Jerry Summers, Bill Giffin or O'Neill. Ducats may also be purchased at the gate on picnic day.

The park is located on El Camino Real, just south of Redwood City. Greyhound bus stops across the street from the park for those without transportation.

Members are invited to bring families, relatives and friends to the function.

Something For Everyone

By The Staff Of The Daly City Public Library

Children are as direct in their approach to books as they are in most other things. In choosing the books they want to read or to have read to them, they are not concerned with the fame of the author, the recentness of the title, or the acceptance by others not in their own circle. Children want books which fill the need for laughter, for feeling close to others, for beauty, and for learning things.

Of course, they do have their favorites and welcome further adventures and installments. "Curious George," for instance, has now taken a job, if you can imagine a monkey in such a predicament. And "Tiaz," that delight of little girls, is now on a trip. Remember, "The Two Little Bears" caught so delightfully by the camera of Yila? Now she has given us "The Little Elephant" who wants to be in the King's parade, if only he can grow up in time! The opposite problem is "Bennie, The Bear Who Grew Too Fast"; so fast, in fact, that he almost outgrew a double-bass fiddle as he had a violin! Louis Slobodkin makes a quite charming story of a merry-go-round horse who jumps off in "The Adventures of Arab."

This may not be the season for ghost stories, but "The Good Knight Ghost" will give a laugh any time; and Merlin himself couldn't have brewed up more magic than we find in "Knight's Castle," although he might have avoided some of the mix-ups. Can a little boy with a wagon outwit three guards of the King who can see farther than anyone? Read "Gillespie and the Guards."

For going to bed on, nothing too bright or exciting, just gentle and entertaining are "Dumblebum," the story of a scarecrow; two about cats—"Fish Head" and "Green Eyes," and three to sign off on — "Deer In The Snow," "Playing Possum," and that old favorite from L. Leslie Brooks — "Ring O' Roses."

These and many others as good and better are in the Daly City Public Library, 6351 Mission street, and its Westlake-Broadmoor Branch, 34 Park Plaza drive, in Westlake shopping center. Come in and pick up a book.

DC's Seilers Enjoy Las Vegas Vacation

More Daly City residents recently swarmed into Las Vegas, the rich man's Reno, for vacation fun.

Enjoying themselves at the famous Hotel Tropicana are Mr. and Mrs. Henry Seiler, 663 Evergreen avenue. With them are their son and daughter-in-law, Mr. and Mrs. Robert Seiler, and their children, Gary and Debra.

Lopina, Skitarelic Recite Vows In San Jose Nuptials

Miss Maryann Lopina of Cupertino was married recently to Joseph V. Skitarelic of San Francisco in St. Martin's church, San Jose, with Rev. R. Zohlen officiating.

The bride is the daughter of Mr. and Mrs. Anton Lopina. She attended Campbell High school and was employed at J. C. Penney Co. in San Jose.

Mr. and Mrs. John Vidolin are the parents of the groom. Joseph graduated from Polytechnic High school and is now studying at San Francisco State college. He is employed at Southern Pacific Co.

Miss Lopina's nuptial costume was chantilly lace over delustered satin with a bouffant skirt decending into a nylon tulle and lace train. A silk illusion finger tip veil fell from her accordian pleated crown of seed pearls. The bouquet consisted of stephanotis, phlaenopsis and orchids.

Mrs. Ralph Milligan, the bride's sister, was matron of honor. She wore yellow and carried flowers to match. The bridesmaids were Misses Lillian Kless and Gloria Sanfilippo. Blue flowers and headpieces set off their yellow gowns.

The duties of best man were accepted by Anthony Simat while the bride's brother John Lopina and Robert Campos were ushers.

Mrs. Lopina chose blue lace for her attire. Pink lace adorned Mrs. Vidolin, the groom's mother. Both wore a white orchid corsage.

Mariani's Restaurant was the site of a dinner reception for 300 guests.

The couple plan to reside in Westlake. They are now honeymooning for two weeks in Southern California and Las Vegas.

Joseph V. Skitarelic leaves St. Martins church with his bride Maryann Lopina of Cupertino. The couple will set up housekeeping in Westlake while Joseph attends San Francisco State College. They are now touring Southern California and Las Vegas.

Court St. Mary Grant Regent Names Chairmen

At the first meeting following the summer recess of Court St. Mary, Catholic Daughters of America, Mrs. Carl Rollandi, Grand Regent, named the following chairmen for the year:

Mrs. Harvey Mumford, whist; Mrs. Lawrence DeFanti, sewing; Mrs. Milton Weckerle, juniors; Mrs. Arthur Dikas, extension; Mrs. DeWitt Brunson, telephone; Mrs. Maurice Clark, publicity; Mrs. Frank Gentle, hospitality; Mrs. John O'Sullivan, legislation; Mrs. Milton Weckerle, cancer pads; Mrs. Jennie Johnson, decorations; Mrs. Edward Pribula, living rosary; Mrs. Louise Barnard, social welfare; Mrs. Fred Wettstein Sr., leper bandages; Mrs. J. L. Mackall, share the faith.

Mrs. Milton Weckerle, junior chairman, represented the Court at the state conference on juniors, held in Los Angeles August 16 to 18.

Workshops Held By St. Martin's As Bazaar Nears

Continuing her bi-weekly workshop sessions in preparation for the November bazaar to be held by St. Martin's Episcopal church woman's auxiliary, Mrs. Hugh E. Simmons will head a group of women meeting at her home, 612 Southgate avenue, on Monday evening at 7:30 p.m.

Work now in progress under Mrs. Simmons' direction includes the making of doll clothes and decorated felt coin purses, glasses cases, book marks, and other items to be sold at the fancy goods booth. Resuming work in regular meetings next month will be St. Ann's Circle, with afternoon meetings at the home of Mrs. Kenneth W. Brugge, 515 87th street, and general sessions of the woman's auxiliary at the vicarage, 94 Palmdale avenue.

Anyone wishing to donate time, working either at home or in meetings, may call Mrs. Simmons at PL 5-7365, or Mrs. Walter F. Michels at PL 6-3610. Donations of materials, such as knitting wool, crochet cotton, felt pieces, sequins, beads, etc., are also being requested.

LEGAL ADVERTISING

OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of San Mateo, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Courthouse, City of Redwood City in said County, California, on TUESDAY the 3rd day of SEPTEMBER, 1957, at the hour of 10 o'clock A.M. for the purchase of bonds of JEFFERSON UNION HIGH School District, of San Mateo County, State of California, more particularly described below:

ISSUE: $1,135,000.00, 1957 School Bonds, Series A, consisting of 1,135 bonds of the denomination of $1,000.00 each, numbered A-1 to A-1,135 inclusive, all dated SEPTEMBER 1, 1957. Said bonds are part of an authorized issue in the aggregate principal amount of $2,900,000.00. The remaining $1,765,000.00 principal amount of said authorized issue may be sold when and as determined by said Board of Supervisors, but it is anticipated will not be offered for sale prior to MARCH 1st, 1958.

INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on SEPTEMBER 1st, 1958, and semi-annually thereafter on MARCH 1st and SEPTEMBER 1st in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

PRINCIPAL AMOUNT	MATURITY DATES
$35,000.00	SEPTEMBER 1st 1958 to 1966, both inclusive;
$50,000.00	1967 to 1981, both inclusive;
$70,000.00	1982.

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said School District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on MAY 17th, 1957 and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said School District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said School District, subject to taxation by said School District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

TERMS OF SALE

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given the Board of Supervisors notice in writing of the withdrawal of such proposal.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of JEFFERSON UNION HIGH School District, of San Mateo County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $5,000.00, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Dated: AUGUST 6, 1957.

JOHN A. BRUNING
County Clerk and ex-officio Clerk of the Board of Supervisors of San Mateo County, State of California.

NOTICE OF PROPOSED ZONING VARIANCE

WHEREAS, pursuant to Ordinances No. 294 and 362 of the City of Daly City, California, an application for variance from the strict application of Section 3.35 of Ordinance No. 294 has been filed;

YOU ARE HEREBY NOTIFIED that the Planning Commission of the City of Daly City has set the time and place for hearing all persons interested in or objecting to said variance for Tuesday, the 17th day of Sept., 1957, at the hour of 8:00 o'clock P.M. of said day in the Council Chambers, City Hall, Daly City, San Mateo County, California, at which time the said Planning Commission will hear any evidence offered by any person interested in or objecting to said variance.

Said property is situated in the City of Daly City, County of San Mateo, State of California, and described as follows:

Lots 1, 2, 47 and 48, Block 8; Lots 1 to 9 inclusive, Lots 40 to 48 inclusive, Block 14, of the Seventy-five dollar Lot Homestead Association.

NOTICE INVITING SEALED PROPOSALS

Pursuant to Resolution No. 19 adopted by the City Council of the **Town of Colma** on the **14th.** Day of **August, 1957,** authorizing work to be done and directing this notice to be made, said Council hereby invites sealed proposals or bids for the **improvement of Jewell Avenue under MCS Project No. 3.**

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades, and at the elevations as shown and delineated upon the plans and specifications made therefor and on file in the office of the City Clerk of said Town and to which reference is hereby expressly made for more particular description of the work to be done and for further particulars.

Payments will be made in cash by said Town to the Contractor on itemized estimates duly certified and approved by the City Engineer and said City Council, based on labor and materials incorporated into said work during the preceding month by the Contractor, but said Town shall retain ten per cent (10%) of the amount of each such estimates, and the accumulation of such said amounts so retained from said progressive payments will be paid to said Contractor thirty-five (35) days after the completion and acceptance of said work by said City Engineer and said City Council.

Notice is hereby given that this Council incorporated into said Resolution No. 19 the determination of the general prevailing rate of per diem rate to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for a full and detailed specification thereof.

All proposals or bids shall be accompanied by a certified check payable to the order of City Clerk of said Town, amounting to ten per cent (10%) of the bid or by bond in said amount and payable to said Town, signed by the bidder and two sureties who shall testify before any officer competent to administer an oath in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said Town in case the bidder depositing the same does not, within the fifteen days after written notice that the contract has been awarded to him, enter into a contract with the Town, the faithful performance of which shall be secured by an undertaking in the amount of fifty per cent (50%) of the amount so bid, with corporate surety satisfactory to said Council, and which shall be accompanied by a labor and material bond in a sum equal to fifty per cent (50%) of the amount of said bid, under the provisions of Title one, Division five, Chapter three, of the Government Code.

Copies of plans and specifications and bid sheets may be obtained from the office of Edwin H. Smith, City Engineer, 914 Spring Street, Redwood City, California.

A deposit of ten dollars ($10.00) per set of plans and specifications is required as a guarantee that they will be returned to him in good condition not later than forty eight hours after bids have been publicly opened.

Said sealed proposals shall be delivered to the City Clerk of said Town on or before 7:30 o'clock P.M. of the 28th. day of August, 1957, in the Council Chambers, City Hall, Colma, California, said time being at least ten days from the time of the first publication of this notice. Bids will be publicly opened, examined and declared on said day, at the hour of 8:00 o'clock P.M. Award of contract will thereafter be awarded by the City Council to the lowest responsible bidder, subject, however to the right of said City Council to reject any and all bids, which right is hereby reserved.

Dated: August 16, 1957.

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

No. 24,762

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Estate of GUSTAV SCHENK,
also known as
GUS SCHENK,
Deceased.

Notice is hereby given that on or after September 6, 1957, the undersigned MARTHA ZIEGLER, as Executrix of the Will of the above named decedent, will sell at private sale to the highest bidder, subject to confirmation by the above entitled Superior Court, all the right, title, interest and estate of the said decedent at the time of his death and all the right, title and interest the said estate has, by operation of law or otherwise, acquired other than or in addition to that of said decedent at the time of his death, in and to that certain real property located in the City of Daly City, County of San Mateo, State of California, described as follows:

Lot 7, in Block 9, as designated on the map entitled "Map of Hillcrest showing Subdivision," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on March 14, 1907 in Volume 14 of Miscellaneous Records at page 232, more particularly described on the Map of the Official Survey of Daly City as:

COMMENCING at a point on the westerly line of Santa Cruz Avenue, formerly San Carlos Avenue, distant thereon 171.22 feet northerly from the point of intersection therewith of the northerly line of Guadalupe Street; thence northerly on and along said westerly line of Santa Cruz Avenue, formerly San Carlos Avenue, 25 feet; thence south 82 deg. 19 min. West 100 feet; thence on a curve to the left having a radius of 1246.28 feet a distance of 27-18 feet to a point which is distant South 81 deg. 04 min. west 100 feet from the point of commencement; thence north 81 deg. 04 min. East 100 feet to the point of commencement.

Bids or offers are invited for said property and must be in writing and may be delivered to the office of HARTLEY R. APPLETON, 620 Market Street, San Francisco 4, California, attorney for the Executrix, or may be filed in the office of the Clerk of said Superior Court at any time after the first publication of this Notice and before the making of said sale at 4:00 P.M. on September 6, 1957.

Terms and conditions of sale: Cash in lawful money of the United States of America, ten percent (10%) of the amount bid to accompany the offer and the balance to be paid on confirmation of sale by said Superior Court. Taxes, rents, and insurance premiums, and operating and maintenance expenses shall be prorated as of the date of confirmation of sale. The examination of title, recording of conveyance and any title insurance policy shall be at the expense of the purchaser or purchasers.

Said Executrix reserves the right to reject any and all bids.

Dated: August 19, 1957.

CARAVAN TO SCOUR COASTSIDE FOR NEW REGISTRATION

A "registration caravan" to secure voters for the Pacifica incorporation election October 29 will be held Saturday, starting from Fairway Park at 9:30 a.m.

With a September 5 registration deadline facing Coastsiders, the caravan of registrars will attempt to round up new voters by scouring the entire Coastside area.

A registration booth has also been established at Seavue theater.

September 5 is also deadline for candidates to take out papers for Pacifica's city council.

INVITATION FOR BIDS

Notice is hereby given that the Jefferson Union High School District, San Mateo County, California, will receive bids for furnishing all labor, material, transportation and services for landscaping (planting) certain areas at Westmoor High School of said district located at 131 Westmoor Avenue, Daly City.

Each bid is to be in accordance with the plans and specifications and other contract documents now on file at the District Office, 375 South Mayfair Avenue, Daly City, California, where they may be examined and copies obtained.

Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District, and set forth in the contract documents as the rate which shall be applied to this contract.

Each bid shall be made out on a form that is available at the District Office, and shall be accompanied by a certified or cashier's check or bidders bond for at least ten (10) per cent of the amount of the bid, made payable to the order of Jefferson Union High School District of San Mateo County, California, shall be sealed and filed with the Board of Trustees, Jefferson Union High School District, 375 South Mayfair Avenue, Daly City, San Mateo County, California, on or before September 6, 1957, at 10 a.m. of said day when it will be opened and publicly read aloud.

The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract, if awarded to him, and will be declared forfeited, if the successful bidder refuses to enter into said contract.

The Board of Trustees of the Jefferson Union High School District reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw his bid for a period of 30 days after the date set for the opening thereof.

WAGE SCALE

Laborer ..... 2.505 per hr.
Landscape
Gardener .... 2.505 per hr.
Tractor
Operator .... 3.33 per hr.

The wage rate applicable for any craft not herein-above listed shall be the rate prevailing for said craft as adopted by the San Mateo Building and Construction Trades Council.

(Pub.: Aug. 22, 29, 1957.)

Financing Clears Way For Episcopal Church

Financing for St. Martin's Episcopal church building, to be erected at Southgate avenue and Bradley drive, has been arranged with the Westlake branch of First Western Bank and Trust company by the Episcopal Diocese of California, announces the Rev. Allen J. Downey, St. Martin's vicar. It is planned to hold a groundbreaking ceremony early next month.

With a loan of $70,000 now available, construction of the main hall, with seating capacity for about 300 persons, as well as office and kitchen facilities, will first be undertaken, leaving the undercroft, with eight classrooms, to be finished as funds become available. Occupancy by Christmas this year is anticipated.

Pledges of $30,000 toward payment of the loan have been made by approximately 125 families now enrolled in the church, and it is hoped to raise the remainder in future fund-raising activities. Hubert Arthur, building finance chairman, recently prepared statements informing each donor of the status of his pledge, and these were distributed along with floor plan drawings of the main floor and of the undercroft. Entrance to the church [illegible]

Radio

"Come on...Let's run to the farmyard...hurry there's some chickens...faster...faster".. and so another thoroughly delightful children's television program is off to a "running" start with a whole studio of happy youngsters proudly wearing gay red, white and blue "Mr. America" shirts doing simple beneficial exercises. Under the guidance of Jimmie Payne (Mr. America of 1950) assisted by his three talented youngsters, "Junior Mr. America" (KRON-TV, Sat. 5 p.m.) is one of the most refreshing and completely entertaining programs for the bicycle set to come along for some time. To bring our readers a first-hand report we visited the program last week.

As soon as we met Jimmie Payne, we thought this the type of person who is particularly well suited to conduct a children's show. With a genuine fondness as well as understanding of youngsters, he keeps the program moving, in fact we should say "hopping" from beginning to end. Besides being entertaining, a program dedicated to children's health is certainly an excellent idea. According to a recent report on the results of the "Eisenhower Physical Fitness" only 22 per cent of our American boys and girls passed the test while 92 per cent of European youngsters did.

The three Payne youngsters, Jimmie, Jr., 11, Cathy, 9, and Penny, 4, are an important part of the show. Simply radiating good health, they face the cameras with poise and confidence.

In questioning Mr. Payne, we learned they already have over 1000 members in their Junior Mr. America Club since the program's inception. All details on joining the club as well as exercise booklet are given each week on the show.

FOR LADIES ONLY.....Have you ever wanted to visit India or far off exotic lands? Then we think the new "live" show which premiered last week over KGO-TV weekdays at 2:30 p.m. is planned just for you. Starring handsome Korla Pandt, musical genius who was born in New Delhi, India, the program features the mystic music of India as well as Hawaiian chants, Vienese Waltzes and Latin American tangos. Playing on the Hammond Organ and piano, Korla Pandit has a unique style and can simulate any and all musical instruments and sounds. The program is well produced. The closeups of the star, as well as the views of scenes and art objects, add immeasurably to the moods his music creates.

Obituaries

Sidney Holman

Funeral services were held Wednesday from W. C. Lasswell & Co. for Sidney Holman, 68, native of California, who died August 18 in Community hospital. He lived at 856 87th street, Colma, and worked as a salesman for Sun Electric Company.

He is survived by his widow, Elmira Holman, two daughters Mrs. Vera Ellis of Sacramento and Mrs. Nadine Areman of Belmont, and a sister, Mrs. Marjorie Horner.

Inurnment followed the services at Olivet Memorial Park.

John Duker

John Duker died at Junipero Serra hospital on August 19. He worked as a salesman for Electrolux Corp. and was a member of the Triangle Lodge No. 638 F. and A. M. He lived at 41 Crestwood drive.

His survivors include his wife, Elizabeth, and two grandchildren, by his late son, John.

Services were conducted from Lasswell's Wednesday under the auspices of Crocker Lodge No. 45[illegible]d A. M. He [illegible] Olive Me-

B'nai Israel Fetes Oldest Member On His 80th Birthday

At its last Sabbath evening service, Congregation B'Nai Israel of Daly City saluted its oldest member, L. Hershel, of 152 Los Olivos avenue. The fete came as a surprise to Hershel, who celebrated his 80th birthday that day.

Mrs. Hershel, together with Rabbi Shore, planned the festivities and until Rabbi Shore announced from the pulpit that the service was dedicated to him, Hershel was unaware that there was to be any celebration of the occasion. After the service everyone went upstairs to the social hall where Mrs. Hershel prepared refreshments.

Next regular Friday evening service will be held at the Synagague, 67 Los Banos avenue, on August 23, at 8:15 p.m. Rabbi Shore will speak on "The American Jew." Everyone is invited.

There are still some tickets available for the Holidays which begin this year September 26. Call Paul Lichtman, PL 6-1721, for further arrangements.

Westlake Festival Dates Announced

The second annual Westlake Festival will be held on May 1, 2, 3 and 4, it was announced by Frank Pacelli and Mrs. Frank Kelechava, co-chairmen of the affair.

"Last year's festival was a tremendous success and the committee members working on this year's program feel certain that it will be met with the same enthusiasm which characterizes all of the functions," Pacelli said.

Recent Blood Donors

Armand R. Giese of Colma topped the list of north county residents who have recently donated blood to the Peninsula Memorial Blood Bank.

Giese gave his seventh pint to the bank.

Donating for the fourth time was William F. Wickett, also of Colma. Second-time donors included Robert C. Davis of Pedro Valley and Walter M. Randolph of Daly City.

Giving blood for the first time were: James H. Clement, Robert Parnes, James R. Tonge, Robert F. Sale, Robert W. Cavalli, all of Daly City; Seymour P. Steed, James R. Hopkins, Paul W. Evans and Mrs. Robert C. Davis, all of Pedro Valley; and Mrs. J. S. Sklivas of Colma.

Vista Grande Minister, Wife Attend Spiritual Life Meet

J. Richard Friedline, minister of Vista Grande Avenue Christian church, and his wife Mary, left Daly City Wednesday to attend a Spiritual Life Conference at the Naches Conference Ground in Yakima, Wash. Outstanding National leaders of the Disciples of Christ are attending this conference.

The Rev. and Mrs. Friedline will spend their vacation visiting with their families in Yakima and Sumner, Wash., returning to Daly City September 7.

During the Rev. Friedline's absence from the pulpit Lt. Col. Hayes O. Luna of the U. S. Army, will speak one Sunday and Kent Tiedeman, student at Chapman College, Orange, Calif., will speak the next Sunday. Both men are members of the congregation.

The Christian Women's Fellowship of Vista Grande Christian were hostesses to the Bay Union Tea for all of the Christian Churches of the Bay Area Tuesday. Mary Pollard, Missionary from India, spoke on her work in India and the Rev. Friedline gave the Devotional talk. The local C.W.F. will hold its regular meeting in Fireside hall at 7:30 p.m. Wednesday.

Some of the men of Vista Grande Avenue Christian church leave Friday to attend the Christian Men's Fellowship Retreat and will return Sunday evening. Clarence Rockey of Vista Grande will have charge of Communion Service at Lake Sequoia.

Columbian Squires Host San Leandro At Mass, Breakfast

San Leandro Circle 851 will be the guest of Daly City Circle 977 of the Columbian Squires at a Holy Communion and breakfast to be held Sunday at St. Thomas More church in San Francisco.

The boys will meet in front of the church and will attend the 9 o'clock Mass and receive Holy Communion in a body.

Also receiving Holy Communion with the boys will be the counsellors of both circles and other members of the Knights of Columbus.

After Mass breakfast will be served in the church hall behind the rectory. The guest speaker will be Eugene Gouig, the newly appointed state director of the Columbian Squires.

All boys between the ages of 13 and 18 are invited to attend.

The Daly City Circle of Columbian Squires are sponsored by Marian Council 3773 of Knights of Columbus.

A REAL CLOSIE — Proud champions of the San Bruno City league "C" division are Daly City's Gateway Chevrolet gang. The chevy club nipped EDee grant, 1-0, last week for the title. The contest wasn't decided until the final inning when Hank Simpson got off the cleanest hit of the night, a single to left field, scoring Butch Carr. Both pitchers gave up only two hits apiece.

SAN BRUNO 'C' LEAGUE

Gateway Wins Crown In Tight 1-0 Sizzler

Duke Simpson's seventh inning single brought Gateway Chevrolet to the C Division championship in the San Bruno City league last week, as the local auto firm nicked EDee Grant's, 1-0.

Simpson's last inning hit to left field scored Butch Carr with the game's single tally. It was Gateway's second straight 1-0 decision over the EDee nine this season.

It was a tense pitchers' duel all the way between Gateway's Lyle Brown and Grant's George Cuker.

Both hurlers gave up only two hits, while Cuker eliminated seven batters via strikeouts. Brown fanned four.

Not a runner touched third base until the eseventh frame when Grant's Bob Arata took two bases as Gateway catcher Dick Descalso dropped an easy pop fly in front of home plate. Brown fired the first pitch to George Stefko over the head of the catcher and Arata plowed into third base.

EDee's attempt to squeeze Arata home failed when George Jarvis' first base line bunt was plucked off by Jim Silacci, Gateway first baseman, who flashed to home plate and tagged Arata out.

Gateway put across the big run in the seventh with two men out. Carr lofted a fly behind second that was bobbled by Milt Garfield. Carr taak advantage of Garfield's butter fingers and raced into second.

Simpson, who had struck out in two previous times at bat and had two strikes against him, got the cleanest hit of the night with his left field blast, driving home Carr and the championship.

PILL PEDDLERS NIP COASTSIDE LIONS

Daly City Drugs whitewashed Coastside Lions, 4-0, in Junior Baseball league action Sunday.

The apothecaries picked up three of their total in the second inning on a Coastside error, and singles by B. Krohn, Mike Rovai and B. Luciano.

Krohn pitched the victory, allowing only six hits. T. Christman paced the swat attack with two for four.

In the second game Milano Inn downed St. Gabriels, 5-2, as each club could manage only three hits.

Cleaners Clark Twirls 2-Hitter To Down Druggists

Ralph's Cleaners defeated the Daly City Drugs in the semi-finals of the Adult Softball League play-offs last week, 4-1. Last week the same two teams played to a 3 to 3 tie in a game that was called because of darkness. Both pitchers threw good ball as B. Holm from the Daly City Drugs gave up only five hits, walked three and struck out two. J. Clark gave up only two hits to the Drugs but was in trouble many times during the game by issuing nine walks and hitting one batter. Both hits off Clark came in the seventh inning.

Daly City Drugs scored the first run in the bottom of the fourth inning on four straight bases on balls. The Cleaners came back in the top half of the fifth to score four runs. Mike Clark started the inning off by walking, Rich Watso walked and Pat Cassidy's single scored the first run. Bill Winters then smashed a triple for two more runs and scored the Drugs' final run when the Drugs short-stop overthrew first base.

The Drugs put on a final rally in the bottom half of the seventh inning when Holm led off with a single, Tom Bournellis walked and Rollins hit an infield single to load the bases with no outs. Holm was caught off third base for the first out and Cunningham then hit a slow roller to Mike Clark who fumbled the ball and all players were safe. Fazzio then hit into a double play to end the ball game.

Cloutier, Riedstra In Action Tonight

Two of Jefferson High school's outstanding football alumni, Tom Cloutier and Bill Riedstra, are expected to see considerable action this Friday night in the 20-30 club's annual East-West All Star game at Kezar stadium.

Cloutier is slated to start at offensive end for the west bay eleven, While Riedstra will fill a guard slot.

"FIRST ONE'S always the hardest," related Westlake's Ken Venturi Sunday after winning his first golf tournament since turning professional last year. Venturi captured the St. Paul Open golf title with a record-tieing 266, to claim $2800 for first prize money. Up to now its been lean pickings for Venturi, former amateur sensation. Venturi, who resides here at 97 Forest Grove drive, prophesied he "may be hard to beat from now on."

BYA CRUSHES 'A' MIDGETS, 15-1

Continuing their winning ways the Broadmoor Youth association's baseballers marched over the Westlake Flying A team, 15-1, Saturday at Balboa, to strengthen their standing in the Midget League.

Westlake took the field without the services of ace catcher Bader Spencer. This figured in the fact that all of BYA's boys saw action. They bombarded Flying A with 13 safties.

Bruce Hix, the only regular left by the game's end, picked up three for four. Jerry Ward added to the attack with three for three, while Wayne Stoller, Allen Stoller and John Bennett showed considerable power with the bat.

Ron Johnson chalked up the victory with a flashy six-hitter. He also banged out a couple of singles to help his cause. Dave Williams bowed to defeat, though, whiffing nine men, three more than Johnson. Dave walked ten, however, while Ron only passed six.

A sparkling second base performance was turned in by Dave Garrison for Broadmoor. Wayne Howell showed up very well behind the plate.

BYA will tangle with a tough M. A. Tuffo Jeweler team at noon this Saturday at Upper Noe, 30th and Sanchez.

World War Vets To Form Barracks

World War I veterans are invited to attend an open meeting next Wednesday to discuss establishment of a new barracks.

The meeting will be held at VFW hall, 816 El Camino Real, San Bruno, starting at 8 p.m.

Announcing the special meeting were Merl A. Nesby, second area commander, and Blaine Glendening, deputy chief of staff, second area.

That Dump Is Not For Burning—Kennedy

That was not the new fill and cover garbage dump near Mussel Rock that spewed up smoke and flames last week, Fire Chief Elmer Kennedy said today.

A newspaper account said that the new dump site was smoldering on August 13 before it had even been put to use for garbage disposal.

Kennedy said the fire occurred on property north of the Mussel Rock dump. The land is being used by Henry Doelger Builder Inc. for depositing sawdust and debris from the company's construction sites.

Apparently, the chief said, children set fire to the sawdust.

The garbage dump is not scheduled to start operation until next week.

GARDEN VILLAGE TOPS FIELD

100 Splash In 'Olympics'

One hundred boys and girls participated in the Junior Water Olympics held Saturday at the Jefferson Union High School pool.

The events included free style, breast stroke, back stroke, individual medley, medley relay, and free style relay races, plus diving. Competition was held in three age groups for boys and girls respectively.

Garden Village playground broke the reign of Marchbanks Park by garnering 85 points to Marchbanks 78 points. The other playgrounds scored as follows: Westlake school, 37; Crocker, 25½; War Memorial, 25½; Edgewood, 20½; Westlake park, 18; Olympic, 8; Frankfort, 3; Benjamin Franklin 2½; Jefferson, Lincoln, 0.

Point winners included:

Boys Class A

Mike Kearney, Art Glover, John Enslen, Bob Weinberger, Lucky Crist, Garrett McDonald, Mike Wills, Roser Johnson, Tony Montalvo, Darryll Crist, Gary Molossi, Lonnie Goodwin, Skip Crudo, David Bell.

Boys Class B

Mike Burger, Darryll Crist, Tom Enberg, John Johnston, Roy Pinelli, Dave Bell, Bob Dyer, Mike Garner, Larry Garrett, John Bartelmez.

Boys Class C

John Shields, Bob Molossi, Bob Doyle, Skipper Smith, Ron Baker, Jimmy Shields, Mike Siler, Charles Patsiloi, James Menconi, Jimmy Buchanan, Donald Mossman, Jim Ryan.

Girls Class A

Lala Patron, Gail Vaurs, Pat Farris, Maxine Deccambra, Carolyn Cameron, Arlene Day, Gigi Vasalevich, Marsha Kern, Judy Reed, Sharon Sylvester, Leslie Ritchie, Connie Lynch, Donna Morn, Wally Atkins, Sherry Fox.

Girls Class B

Gigi Vasalevich, Connie Lynch, Sharon Sylvester, Marilyn Dowuly, Judy Reed, Donna Schiller, Sherry Fox.

Girls Class C

Leslie Ritchie, Janie Fox, Pat De Bernardi, Donna Morn, Sheila Waite, Cathy Pinelli, Martha Kerr, Kathy Albee, Frances Taborsky, Linda Dettwiler, Diane Caruso.

Hix Hitting, Fielding Paces DC Drug 4-2 Win

Billy Hix' three run double, his top fielding in starting a key double play, teamed with Terry Christman's three hit pitching carried the Daly City Drugs to a crucial win over Pomona Tile at Balboa Park Saturday. The 4-2 victory places the Creighton-Krohn lads in the lead in San Francisco's 'D' League.

Saturday's game was a thriller all the way with each team having men on bases in every inning. Pomona's two runs came in the second when Terry Christman, who struck out ten men, walked Bussanick. Bobby Escobar sacrificed him to second. Piana then lined a triple past Danny Luciano in center, and was brought home by a squeeze by Blum.

Tom Bournellis' boys had men in scoring position in all but the second inning due to a couple of perfect sacrifices by Mike Rovai, but couldn't bring across a run. Bill Hynes had a fluke hit in the second, but was forced at the keystone sack.

Mike O'Leary lead off the sixth with a sky high fly that Cavalli lost in the sun at short. Christman hit through second sending O'Leary to third, Hynes grounded to Rapp putting Christman on second, then Ludwigsen walked to load the bags. Bob McNeilly came off the bench to bat for Luciano, and was hit by Rapp on the first pitch scoring O'Leary.

Billy Hix hit the two-one pitch over Bussanick's head in left to bring in Christman, Ludwigsen and McNeilly. It was Hix' first double this year.

DC Drugs now have three wins in the "D" league and will meet St. Stephens Saturday at Balboa Park at 10 a.m. If they win this one, they'll take both halves of the League. They cinched the Daly City Junior league at Marchbanks Sunday with their win over Coastside. There is only one more game against St. Gabriel's at Marchbanks at 11 a.m., and each team in the league has two losses while the Druggists have a 6-0 record.

SECOND baseman Mike Roval, of 120 Vale street, is one of the most dependable performers for the Daly City Drug sandlot club. He leads his mates in sacrifice hits and has accounted for more double plays. Baseball definitely is his professional goal.

QUESTION MARK? The beauty spot of this year's California State Fair and Exposition, August 28 through September 8, will be the face of the 1957 "Maid of California." She will be selected from the scores of lovely girls whose names are being entered daily in the traditional state-wide contest to pick the reigning queen of the West's greatest show. Flanking Miss Question Mark are two previous winners, Lorna Anderson of Sacramento (left), who went on to become Miss California this year, and Phyllis Yarwood, of Costa Mesa.

Francis Heads Probe On 'Franchise Racket'

Assemblyman Louis Francis (R-San Mateo) was named today as chairman of the State Assembly Interim Subcommittee on Corporation Laws.

The subcommittee was appointed from the senior committee on public utilities and corporations to ascertain, study and analyze all facts relating the effects, administration, enforcement and needed revision of any and all corporation laws.

Chairman Francis immediately announced after the appointment of members that the committee will investigate the "business Franchises racket" and study the need of the state to regulate the grants and sales of business franchises.

"There is evidence of fraudulent sales of business franchises in California. In some instances out-of-state firms have granted or sold to small businessmen purported rights to use their business names, processes, formulas, methods of procedure or technique for exorbitant prices by false and fraudulent representations," Francis said.

But if any man love God, the same is known of him.—(I Corinthians 8,3.)

The man who loves God—and lives that way—doesn't need to go about professing it. His goodness shows in his face, in his every word and deed, for he reflects the love of God upon his fellowmen, by expressing true brotherhood.

TEMPERS TORRID

Fear Spitters, Bean Balls In Muni Baseball Fracas

When the Daly City Police and firemen meet in their benefit baseball game at Marchbanks park September 8 it won't be a spontaneous affair.

The local police are not only spending long hours mapping game strategy, but have sent out a scout to proselyte rooters for the whiz-bang affair.

Officer John Coleman, in an appearance that had all the earmarks of a masterful political coup, appeared before the Lake Merced Optimists Tuesday to invite club members to witness the titanic clash. But observers detected a partisan flavor in Coleman's remarks, and some said he was handing out free tickets to the policemen's ball.

Coleman also told Optimists of the purpose of the game—to gain funds for the Boy Scouts and the newly-organized Police Athletic League.

Midst all the sound and fury, several new memberships were reported for the P.A.L. They included sustaining memberships for merchants who contribute from $10 up, and associate memberships for the shopkeepers who plunk up between $1 and $9.

Meanwhile, Elmer Kennedy, fire department potentate, issued a warning to all his charges to be on the lookout for spit balls and bean balls in the September 8 diamond war.

Police, in anticipation of extra-close scrutiny by Kennedy, have obtained an injunction from Municipal Judge Thomas L. Bocci ordering firemen to seize and desist from any illegal search and seizure of the policemen before or during the contest.

Cop Chief Roland Petrocchi pointed out that as policemen, "our integrity is unquestioned."

"But we might just bounce a bean ball or two off that Kennedy fellow," Petrocchi whispered aside.

Clowns Down Park Twice To Claim 'Series' Title

RALPH'S TOPS LODGEMEN AS PLAYOFFS OPEN

Ralph's Cleaners, behind two-hit pitching of Mike Clark, turned back Westlake Lodge last weekend, 3-1, in the first of a three-game series to determine champions of the Adult Softball league.

It was the first time the cleaners gang had been able to top the lodgemen this season. The Lodgers dumped Ralph's Thursday, 2-1, for the second straight win over the pants pressers, to gain the playoffs.

In the initial playoff contest, the cleaners opened scoring in the first inning when Rich Warne doubled, followed by Rich Watso's single and another two bagger by J. Cassidy, driving in a pair of runs.

The Lodge tallied in the second frame on Pete Longas home run, and that was it. One other single in the inning went for naught.

Ralph's got the final run in the fourth when Bob Gaggero got on after an error by the Lodge centerfielder. Clark's single drove in Gaggero.

Daly City playground's "World Series of Softball" found the War Memorial Clowns winning two straight over Westlake Park last week, 7-2 and 7-5, to take the class A championship.

Sonny Stoller received credit for both wins to give him a season record of 4 wins, no losses. George Ambiosio won 5, lost none.

In the first game the Clowns jumped to a 4-0 lead in the first inning. Westlake Park scored two in the fourth and threatened in the fifth and sixth. Mike Wills added three insurance runs when he poked his third home run of the year.

In the second game the Clowns scored one run in the second on a double by George Crist, and a sacrifice fly by George Ojakian.

The Park nine rallied in the third inning to take a 4-1 lead. Singles by Tarens, Tissier, Funai, and Peterson scored two runs, and a double by Johnson drove in two more.

Singles by the Clowns Mike Brush and Stoller plus a walk to Jerry Wills set the stage for a two-run double by Mike Wills. George Crist then blasted a two run triple, his second extra base hit of the day, to give the Clowns a 5-4 lead.

Singles by Bill Caster and Mike Wills plus a perfectly executed double steal set the stage for Art Banos' two run single.

In regular league play Westlake Park swept the National League without a loss. The War Memorial Clowns did likewise in the American League.

Garden Village Playground wiped out the opposition in the Class B softball competition without a loss, to emerge city champs. Three teams tied for second—Westlake Park, Westlake school, and Colma, with 3 and 2 records.

Edgewood came in a close second with a 4-1 record in the Class A American League. Benjamin Franklin finished second in the National Class A League.

Midget All-Star Fray Sunday At Westlake

Daly City rec department will hold its first annual Midget All-Star game this Sunday at Westlake park, starting at 11 a.m.

Sixteen boys from the five-team league will make up a club to face winners of the BYA—South Sunset game held last night.

The All-Star club is made up of four players from each team. Line-up includes: Marty Oertwig, Jim Fair, Bill Shelver, Lee Klinger, Floyd Byrum, Joe Chevez, Jim Fife, Bobby Rankin, Ed Perry, Jim Henderson, Spencer Badder.

Four more players will be selected from the losing club in the BYA-South Sunset tilt.

LEARNING the operation of landing craft at the Little Creek Naval Amphibious Base, Norfolk, Virginia, is midshipman second class George R. Griggs, son of Mr. and Mrs. Raymond R. Griggs, 120 Lynnewood drive. A student at Princeton, he was one of 820 Naval Reserve Officer Training Corps midshipmen to receive three weeks indoctrination in amphibious assault landing techniques during July. Flying to Corpus Christi, Texas, last week, the future Navy and Marine Corps officers will continue their summer training with three weeks schooling in naval aviation.
